

EMIHEN GEOGRAPHY RESOURCES

End Of Year Examinations 2022

S.1- Geography

Duration: 2 ¼ Hours

INSTRUCTIONS:

- Answer all questions in this paper.
- All answers must be written in the spaces provided in the question paper.
- All working must be clearly shown.
- Points must be clearly explained and avoid listing / phrases.

Question 1:

Study the scenario and support information below and attempt all tasks below.

Suppose you have been given a chance to go for a fieldwork trip around East Africa for 3 days and make a report to your Geography club. On your journey you observe that the East African landscape is not uniform. It is made up of varying relief features like mountains, valleys, basins, and plateau as illustrated in the picture below:

You then conclude that there are five major relief regions making up East Africa. In each of these regions people are involved in different economic activities because of the difference in climatic conditions.

Tasks:

- a) Using the knowledge from your trip, Draw a sketch map of East Africa to indicate;
- i) The three countries that make up the East African region,
 - ii) The major relief regions that you observed,
 - iii) Major water bodies: Lake Victoria and Indian Ocean.
- (11 marks)

- b) Outline **three** economic activities carried out by the people living in any **three** relief regions that you observed from your trip. (9 marks)

Relief region 1:

.....

Question 2: Study the photograph provided below and answer the questions that follow;

- a) Draw a two column table and classify the natural and human features shown in the photograph above. (06 marks)

.....

.....

.....

.....

.....

.....

.....

.....

.....

- b). Explain how the human features are related to natural features in the area. (03 marks)

1.

.....

2.

.....

3.

.....

c). Giving evidences from the photograph, identify the problems which are likely to be faced by the people living in the area shown in the photograph. (03 marks)

1.
.....
2.
.....
3.
.....

d) Read the poem below and use it to do the tasks that follow;

MR. BIN

To keep the environment clean, please use me.
I am dustbin.
Do not spread litter here and there.

I am easily found everywhere.
I have a lid on my head that stops foul smell from spreading.

I protect you all from disease so that you may live in ease
I take in all your filth to keep your surroundings sparkingly clean.
Clean environment is a collective duty, yours and mine.

i) What do you think the writer was trying to communicate to the public? (02 marks)

-
.....
.....

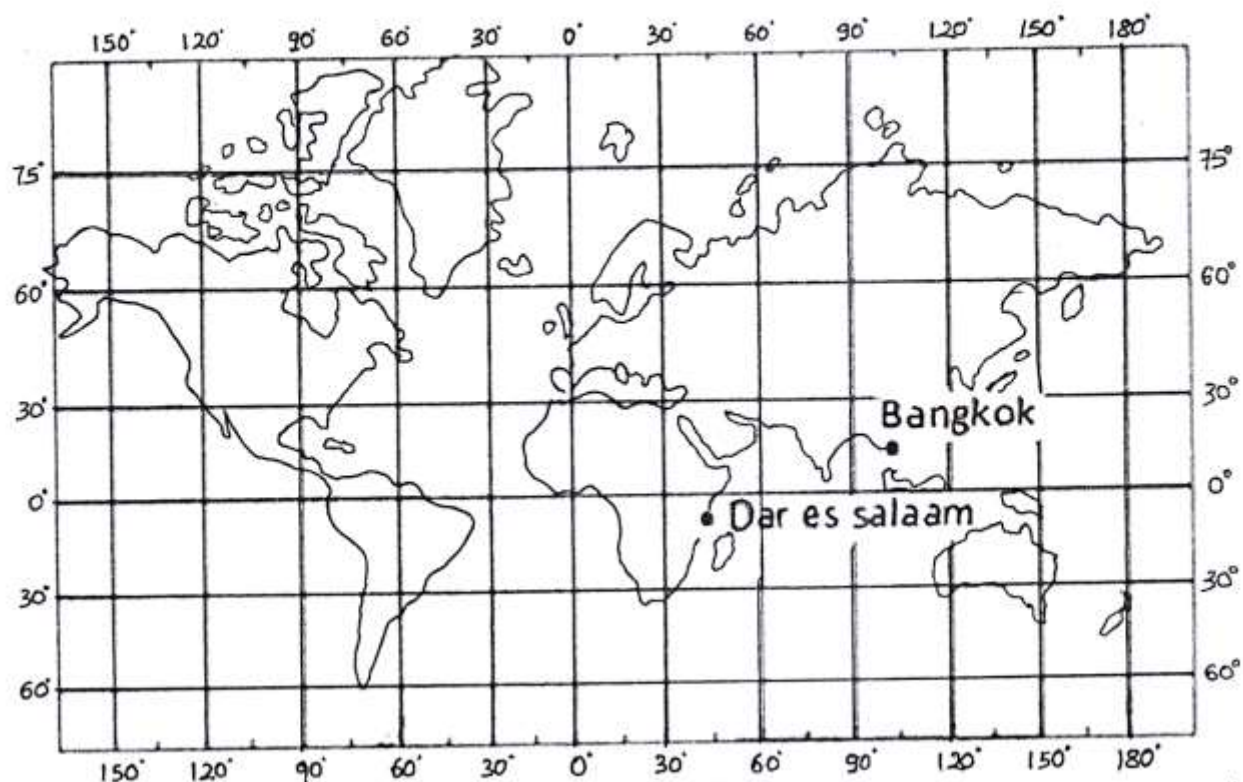

ii) How does the information in the poem help you in your everyday life? (06 marks)

1.
.....
2.
.....
3.
.....

10

- 1

- iv) Study Figure 1 showing the location of Bangkok and Dar es Salaam using latitude and longitude and answer the question that follows.

Gowa lives in Dar-es-Salaam City which lies 40° East of the Prime Meridian. Her elder sister lives in Bangkok City which lies 100° East of the Prime Meridian. Gowa usually communicates with her sister very early in the morning before going to school.

- (a) If Gowa makes a phone call at 7:00 am (GMT), determine the time at which her sister in Bangkok will receive the call. (02 marks)

.....

.....

.....

.....

- (b) Explain the ways in which the rotation of the earth influences the ways of life of the people in your community. (06 marks)

1.

.....

2.

.....

3.

Question 4: Study the table below showing Uganda's fish exports as a percentage of total exports from 1991 – 2012, and use it to answer the questions that follow:

Year	Volume (tonnes)	Percentage of total exports
1991	4,751	2.9
1995	12,971	3.9
2000	15,876	7.7
2005	36,600	17.6
2010	16,697	7.0
2012	20,562	8.9

(a) Draw a pie chart to represent the percentage of total fish exports in Uganda from 1991 to 2012. (08 marks)

(b) Identify the year with the;

(02 marks)

i) Highest percentage of fish exports

ii) Lowest percentage of fish exports

(c) In your own opinion, how has the Ugandan government benefitted from fish production?

(05 marks)

1.

.....

2.

.....

3.

.....

4.

.....

5.

.....

(d) Name any **three** fish species caught in East Africa.

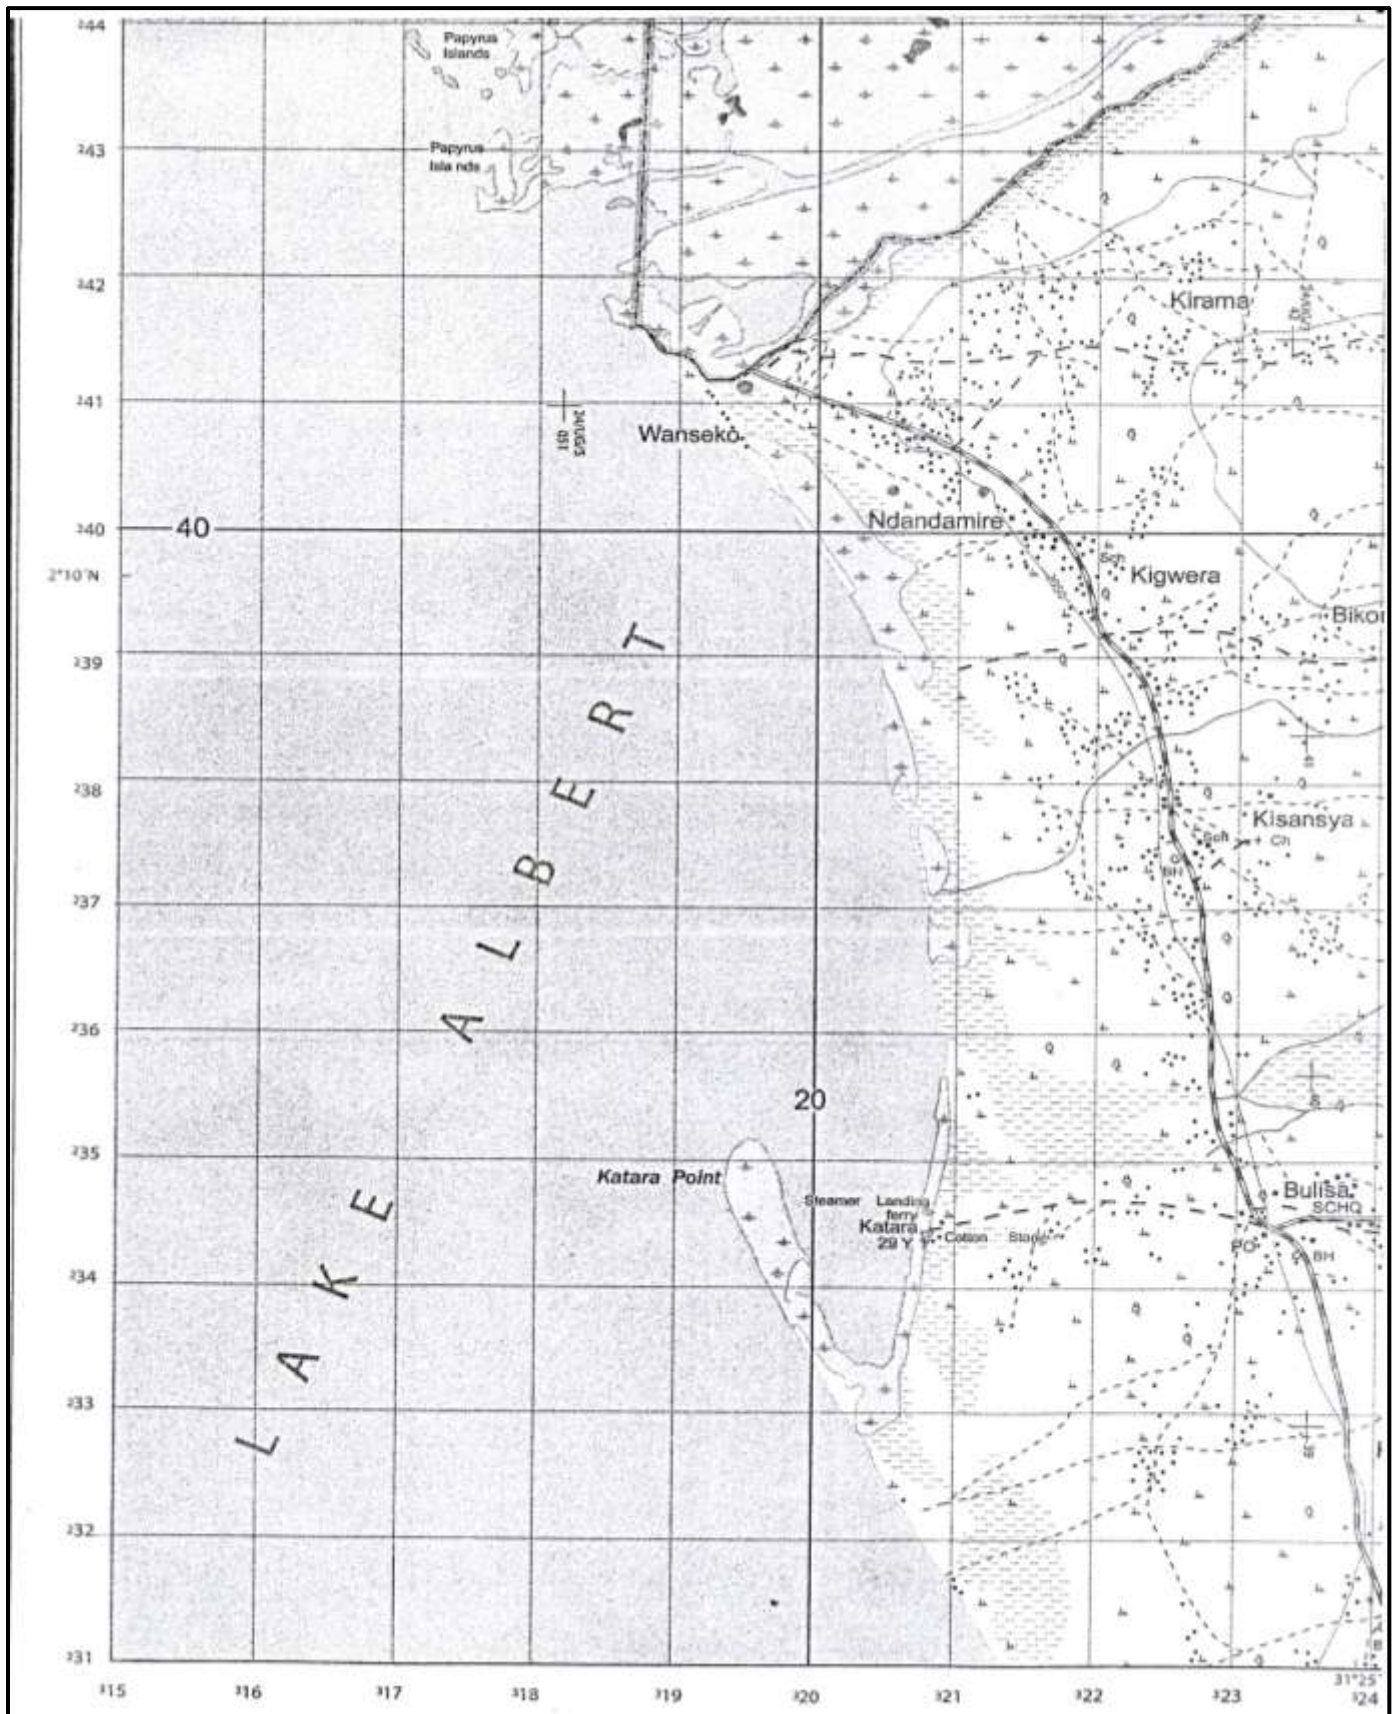

1.

2.

3.

QUESTION 5: You are provided the Map Extract of Part of BULISA (UGANDA) study it and answer question below.

EAST AFRICA 1:50,000 (UGANDA) BULISA.

Question 5: Map work: Study the 1:50,000 (Bulisa) map and do the tasks;

a) State the grid reference of; (02 marks)

1. Church at Kisansya

2. Road junction at Bulisa

b) Identify the features found at the following Grid References; (02 marks)

1. 235329

2. 221398

c) Calculate the area occupied by Lake Albert (excluding swamps). (03 marks)

.....
.....

d) Assuming you were to travel from Bulisa road junction to Wanseko landing site (Grid Reference 195413) **using air transport**;

i) Determine the distance (in Kilometres) your journey would cover. (02 marks)

.....
.....
.....

ii) Estimate the total amount of money spent on transport to and fro, if the airline transporter charges Shs.20,000= for a one way journey. (Show your working). (02 marks)

.....
.....
.....
.....

e) Identify the **major** physical feature you would view if you travelled to the area shown on the map extract. (01 mark)

Physical feature viewed

i) Explain the importances of the physical feature identified above to the people living in the area shown on the map extract. (04 marks)

1.
.....

2.
.....

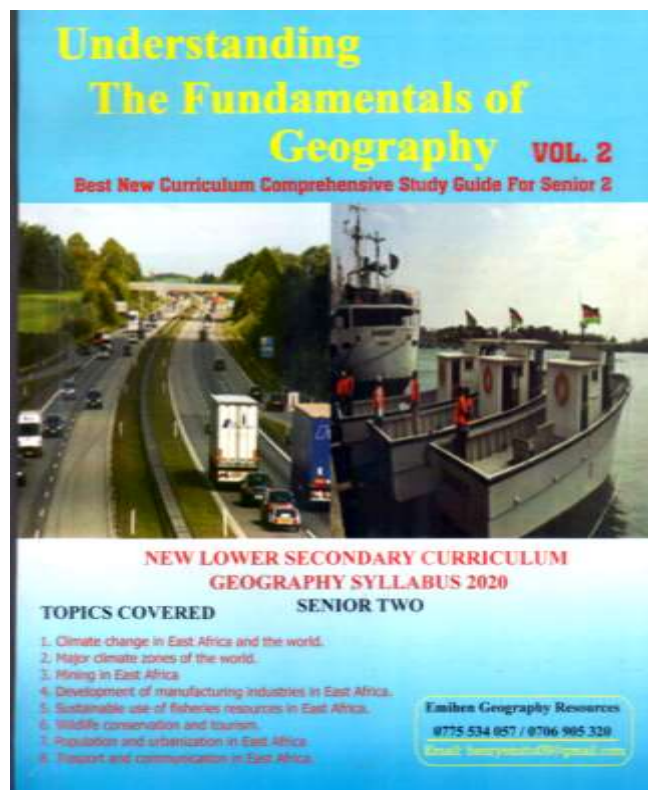

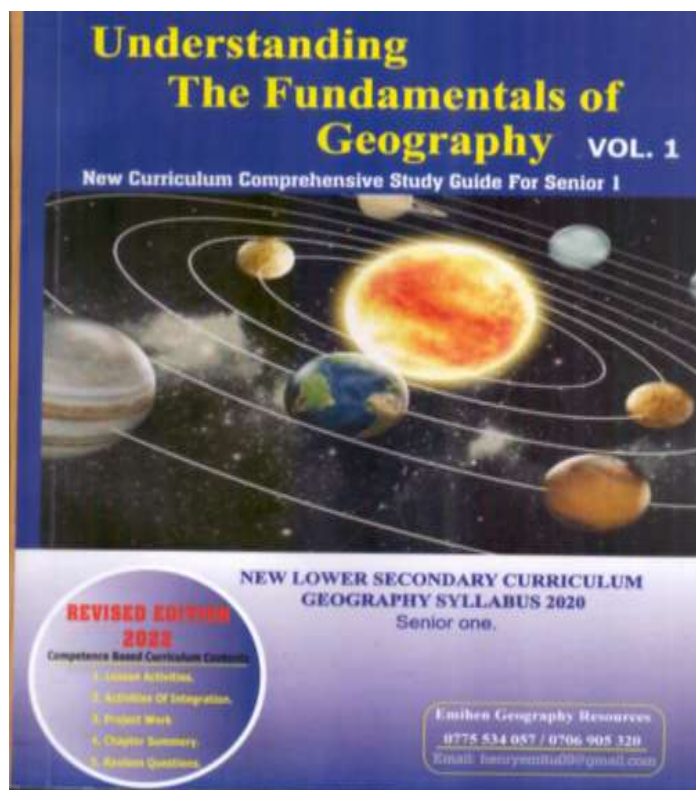

3.
.....

4.
.....

ii) What problems are caused by the presence of the physical feature in the area shown on the map extract. (04 marks)

1.
2.
3.
4.
