

**DEPARTMENT OF HISTORY AND POLITICAL EDUCATION
SENIOR ONE END OF CYCLE ASSESSMENT**

2 HOURS 30 MINUTES

Instruction(s)

- i. The paper consists of two sections, that is **A** and **B**
- ii. Section A consists of two questions and it is **compulsory** whereas Section B consists of three questions, but only **two** of them should be attempted.

SECTION A

All questions are compulsory.

1. You visited the zoo as the senior one class and you saw a number of animals, but your attention was mainly on the Chimpanzees. You were surprised to see that the animals have a resemblance in their conduct with humans. The tour guide told you that all humans were once like the Chimpanzees. Basing on your knowledge about the scientific view on the origin of man;
 - a) Support the tour guide's explanation
(07 scores)
 - b) Explain other views held about the origin of man.
(08 scores)
 - c) Which of the explained views would you prefer and why?
(05 scores)
2. I was born in Jinja district to a Kikuyu parent and a Muganda parent and Uganda is where I have lived since my childhood. Of recent, when we happened to go for a burial ceremony, I met various people who introduced themselves to me as my relatives from my mother's side and I am currently eager to know more of my past that I have never been told.
 - a) Through which methods can I know my untold past?
(10 scores)
 - b) Which method would you not recommend and why?
(10 scores)

SECTION B

Choose only two questions

3. In the 20th century, one of the most influential and strong cultural institutions in Uganda had an understanding with the foreigners. Their understanding was based on the number of conditions that the two parties had to abide by.

Task

Write an essay on the various conditions agreed upon and their outcomes.

(20 scores)

4. East Africa saw an influx of foreigners in the past three centuries. They occupied East Africa due to a number of reasons best justified to only them. The reactions of the people of East Africa varied from society to society in a sense that some had negative reactions while others had positive reactions.

Task

Using your knowledge of History, analyse the two different reactions of the people of East Africa.

(20 scores)

5. The imperialists in East Africa having acquired their areas of interest were puzzled on how to effectively administer their acquired territories. Luckily, they later came up with different strategies of administering their territories. The strategies used differed from the other due to a number of reasons.

Task

Write a letter to your teacher explaining the strategy adopted by the British to administer Uganda and show its outcome on the people of Uganda.

(20 scores)

The End

Wishing you a Merry Christmas and a prosperous 2024
