

ST. AUGUSTINE VOCATIONAL SECONDARY SCHOOL –RUHARO

S.1 2023

ICT

ACTIVITY OF INTERGRATION

TIME: 1 HOUR

At the beginning of 2023, Bunyarigi primary school receives its primary seven results from UNEB. The school's management decides to present the results summaries to the 400 parents at the general meeting. Some of the parents were out of the country but they confirmed their need to participate in the meeting. After the meeting. The results summaries were pinned on the school's notice board and a softcopy of the results was sent to the old students association in England.

SUPPORT

TASK

1. Advise the school management on the necessary ICT tools and what each tool will be used for to address the challenge. **20 mks**
2. Explain the safety measures that should be observed while using the ICT mentioned above. **10mks**
